Dance Programme

The school dance troupe enthusiastically participated in dance programmes organised as part of the grand Dasara festivities at Kalamandira, Mysuru, Chamundi Hills, and Srirangapatna. The students showcased their dancing skills, talent, and artistic abilities through vibrant and graceful performances. They were guided and trained by our dance teacher, Mrs. Sumitra, whose efforts and encouragement helped the students deliver impressive performances. Their participation provided them with a valuable opportunity to showcase their cultural talents and celebrate the rich traditions of Mysuru Dasara, bringing pride and recognition to the school.
